We have a new transfer student today. Her name is Haruki. Please be nice to her.

Let's see... Your seat will be over there. Next to him.

Har! She's cute as hell!

Nice to meet you too!

Ah! The weather is great today!

You could say I have a lot of a secret.

Good morning. Everyone! I'm a new transfer student! Today is my first day!

Actually, for various reasons I've transferred schools several times now.

It would cause some problems if anyone found out my secret.

But, this time I'm not going to make any mistakes.

You're getting a cute girl next to you. You should be thanking him!

I agree on this I want to take another girl home with me.

I wonder what he's thinking about...

Here we go, this place is good.

Good! That sounds good to me.

Well, here about I beg you is that where you got to the cake as an apology?

Please see the second floor.

It looks a bit crowded.

Oh, that was just I might give myself away.

What the hell did you let me for?

3F・喫茶部
2F・音楽部
1F・学生部

Let's head up to the third floor then.

After the second floor is just as bad.

That's funny, it didn't say how many are.

I think you're just being a bit to land on you.

I'm sorry.

Well knowing Teacher's probably not thinking about anything suspicious again.

Okay, I'm going to take another look, but if he is thinking about something again, I'm going to let him know it.

There—there—

Over there—

Over there—

Calm down—
Calm down—

Teacher has thinking again.

Mr. Lee thought.

おはよう

He never thought Teacher's thinking. If he thinks something, he'll never think about it. I'm only sure what he thinks about when something like this is actually happening.

I would go to Teacher again and tell what he thinks about this.

Maybe I learned
from last month
I wonder
if he's mad
at me.

Score like
he's in
a bad
mood now.

You really
think
so?

uhh Oh
I don't
care about
that.

It was
actually
pretty
fun
then.

that was my fault
for suggesting that, cafe
sorry about
that.

EWIGH!

KYAA!
WHO
ARE
YOU!

huh!

Just what a
weird cafe!
I'm never
going back there
again.

Forget about
paying! Let's
get the hell
out of here.

We must have
cheered up
after I told
him it was
a good
time.

uhh yeah!
I'm glad
you're
not upset.

Looks like
he's in
a better
mood
now.

Mmm

That's
wrong!
why are you
so quiet!

I didn't
even get my
chocolate
perfect.

It's so lucky! I can't believe how fast she moved!

She's sitting next to me, but those two pillows are a dead give away for what she's planned tonight!

!!

Hey, what's that?

Here?

Really, no need to play dumb. Yeah, I see the two pillows you set on your bed.

What are you talking about?

That's a signpost of your badness.

She's being unnecessarily tough. It's just time to purges things from here...

Oh, that? I can't tell about without using two pillows.

What's with the surprise, Chai?

Alah, sorry...

Don't wonder if she prepared for this night.

KAI! Don't touch that!

Wow! Two pillows on the bed. She prepared well for tonight!

Come on! You shouldn't look everything you see in a girl's room.

Well, according to the way she is, it's not really a girl's room. You can see your face in the mirror.

What's wrong with you?

Mami Kibinawa
It's a big house
but I've missed the hot bath!

I guess
baths really aren't in
the mood circuit.

Sorry,
guess the
going solo
bought right.

Come to
think of it,
I was being
a little
opponent.

That's all
Mood is important
to a girl. I
just have to
go along with
the hot bath.

What?
Bath?

My
bath!

That's true.
Why don't
you stay
here tonight.

Two hours?
That's
good.
You won't have
any time
to sleep.

It's okay.
It's a big
house.
It will only
take an hour
or two.

FLUSH!

I just
have to
get this
bathing
right.

I can just
sit out for
her and
slowly
get clean.

Just I don't
stay. I would
be too much
of a burden on
you tonight and
in the morning.

I should
be leaving
now.

I think
you should
stay,
Mami.

That is
this a very
choice!

I can
stay under
the same
roof as
bath for
the night!

I'm
sorry,
I lost
track of
the
tree.

This
is bad!
I gotta
get out
of here.

What?
That's a
problem!

Oh what!
It's already
10:30! I missed
the hot
bath!

WHAT
THE
HELL ARE
YOU DOING?!

H-How
was I
discovered?!

You!
I knew it!
You bastards!

What's
wrong?
Lovers?!

Man, how
many of these
damn things
do I have
to eat to become
invincible?

What
the
hell?

It's
Kamen

lover!

Today, a lot of the girls in my class are excited to get together and go on skating.

This is basically a very tight and crowded, so teacher come along with us too.

There's also one lady who came with us too. Akochi Kikunori.

Let's all meet at the skating rink in one hour.

This is Mr. Matsuyama, he is the teacher who came with us today.

Until the you can rest in the room we have prepared.

He

himself
as a
teacher!

Uh-oh.
What
could he
be
planning?

Okay!
First up is
Kisako, then
Juniko
and third is
Kiyoko

He's
just showing
off for
everybody!

What?
How
dare he be
so cocky!

Of course
he's great!
That's the kind
of attitude
students need
to be in
classroom!

I want
to be a
teacher like
him
someday.

Alright
everyone!
Line
up now!

Um,
why is he
only
calling
the girls?

Alright
next up is:
Mayu, then
Yukari, Yoko
and
Akemi!

He's just
trying to feel
that in
his pants, you
know? I wonder
what he has
against him?

What
now?

I'll be

ALRIGHT
EVERYONE!
Today we
are going
to study
all day
long!

Well
I guess
I could
just read
his mind
and find
out.

Alright
let's
take a
look

I've made dinner for everyone, it will be ready shortly.

Let's go eat!

Please! I'm tired!

Thanks for waiting, everyone. Shall we eat now?

You've got it all wrong!

You two are always together, aren't you?

Hay this looks great!

I won't let that little skirt chasing heat ruin my odds!

I've waited a long time to go on a trip with only the girls!

And because of that, I made sure to get them into that single room!

To them, the first jewel from the desert!

And get the foundation for this piece of fat blossom!

I'll have to keep an eye on him tonight.

Wait! He's after me!

And a piece for dessert.

Might I have a bun and eggs.

Let's eat!

Good. He's still thinking strange things about me.

Hey! But the room might!

Good to know...

Yeah, the first room on the inside.

わい わい

Hey, listen! Are you really sleeping in a different room?

Volunteered to share all the buns and eggs and he was surprised to share all the puns.

Hmm, what's he doing?

Wow, she's
surprisingly hot.

さね...

She's a
ship girl.

I have later
than I want to
be looking at
nobody.

uhh!!

Yes, she's
ship alright.

In this
case, I think
it's best
not to
say anything.

It's dark and
she can't see my
face. She's
probably thinking
about it's
actually real.

huh?

In this
really
dark's face?

Wow,
her hands
are pretty
rough...

Godd, she's
being amazing...
all of the
sudden!

Hey
wait a
sec...

Wait(24)
She's not
wearing
a bra!

I suppose
I'll just start
slowly taking
off her
clothes.

She's
getting
on to
it!

Hehehe!

Oh?
What are

taking her

off.

Oh yeah, this is the first time I've seen a crowd with a boy.

After all, it's a porno preview!

Look at her! He's totally absorbed by it!

I wonder if Yamanaka likes this kind of stuff.

Time for photo 1 of "Artistic Skirmish."

The movie theater? I don't know what he might try to do there with her!

Let's head to the movie theater soon.

Alright.

Yeah, wonder if there's an enough to do.

Wow, it's pretty crowded in there.

It's starting now.

Well, he's here, but he's not very good at acting...

What's
with this
perverted
teacher?

I see, she's as
expressed in the
movie, she's not
paying attention to me
close enough to notice
the difference

Y'know, there
was no line

She
thinks I'm

I'll just
have to
read the

go any

I think
I'll just
have to

YES!
Here we
go!

Go a

higher.

That
looks

Ugh.

that's
it. Keep
going just
a little
higher.

Here, I know it's empty in the morning, but doesn't it seem a little too dead around here, Souma?

It does seem a little empty around here.

Well, there's not much we can do about it. It's our turn this week.

Yeah, but still...

Hey, that's right! I was watching T.V. yesterday and saw...

Huh?

I know she wouldn't tell me it.

Maybe today it is holiday and we forgot. Let's just go home.

That was Kouru's room! It was there in the past.

WHAAT? KOURU'S ROOM?

KYAA-AAAA!

What the hell was I thinking to say that!

She gets me and makes all the corrections.

Hey

Good morning, Kouru!

I really hate these assembly duties. Having to come to school early sucks.

Well, we did come here early today. There aren't many other students yet.

Well, I'm tired.

Hee! That's funny you should know all the feelings stop up that they will be unwilling to run away!

Good! (I'm scared)

I was just worried about everyone's safety!

We're only doing this because you put the idea in his head!

HEY!

Shouldn't you take this off too?

At least everybody!

That's a great idea of a night everyone take off your clothes!

Sleep?

Surely you think that's a good idea, right?

I should shut out a part too!

Good! We have no choice...

You! You all know here I think it's best to do what he says!

You heard that! All of you hurry up and take off everything!

Ah! You two get out of here!

Also that new speed I was able to clear out the two biggest hindrances in the room.

What? Drop off the food and get out of here!

Lover...

Who will she be today?

Please let all of the children go and take me in their place!

Please! Take me as a hostage instead!

Right there instead!

And don't do anything stupid!

As a hostage?

Well...

You don't want to see children in a hostage situation, do you?

She would look great...

What the hell is that? This is a chance to get whatever you want and you ask for dessert?

Faint!

Oh yeah, guess I'll get some more dessert instead!

I've brought your food!

Alright! Get in here!

Guess! Why is Guren trying to hold my hand at a time like this?

Alas, my dear! I can't leave each other's side!

Heh.

I can't enter the cage while he's grabbing my hand like this!

Probably like this too, in hopes that no one is out holding her too.

What the hell is this thing?

Underhanded. No need to be shy.

What are you doing? Let go of my hand!

Guren's fighting back. This much is embarrassing! Well, I won't let you go!

I'm so happy to still be here!

Eyes.

Now sit there and be quiet!

Heh! That sure.

Now that there is a prison within here, I want to make sure that no fairy dust happens.

Hey, Guren!

WE'VE BEEN TALKING ABOUT THIS FOR A LONG TIME!

O-Guren! I'll find a way to escape this cage and then I'll defeat him.

I had a fairy pistol in my bag.

We can take him down if we work together!

Nothing!

What the heck is going on over there?

You got the last piece!

It's time actually.

She's wearing my paper, but she's not all the way there.

It's too weird to bring to work.

What's wrong?

It looks really bad!

And she was eating so fast! I'll show her!

DW!

Nothing! My last few years to sleep, that's all.

What's going on over there?

WHIIII-EEEE!

Let's try this next.

!!
OOOOH
What's that?
What's that?
Could it
be...?

What's
taking you
so long,
Kakemono?

What the hell
are you doing?
Stop flailing me up

You, in my tool!

But it's not

I'll find

But it's not
just forget
about the
pistol!

If you
don't search

Okay,
I'll do
it!

I don't
really
have to
search
do I?

I've
got to
do
something!

A gun?
You idiot!
What did
you...?

And what's wrong, Kikumoto?

Well this is the new student teacher. She'll introduce herself.

Oh, wow.

Good morning everyone!

Hello everyone! The female Yaku. Even though I'm here as a student teacher, they still in college, so you can just think of me as a senior student here.

That's an amazing hair's skirt.

That's.

I hope we all get along together!

The new teacher is starting.

And our class is getting a new student teacher?

They're coming! They're coming! I can see the student teacher too!

I can't wait!

Hey, Kikumoto! You gotta come check this out!

Well, why bother? They never used my cat's student teachers to us.
